Box No. VIII (iv) Declaration of Inventorship (only for the purposes of the designation of the United States of America)
 The declaration must contain the following standardized wording provided for in Section 214; see Notes to Boxes Nos. VII, VIII (i) to (iv) in general and the specific Notes to Box No. VIII (iv). If this box is not used, this sheet should not be included in the request.

**Declaration of Inventorship (Rules 4.17(iv) and 51bis.1(v)(iv))
 for the purposes of the designation of the United States of America:**

I hereby declare that I believe I am the original, first and sole (if only one inventor is listed below) or joint (if more than one inventor is listed below) inventor of the subject matter which is claimed and for which a patent is sought.

This declaration is deposited in the international application of which it forms a part (if filing declaration with application).

This declaration is deposited in international application No. PCT/..... (if furnishing declaration pursuant to Rule 2ater).

I hereby declare that my residence, mailing address, and citizenship are as stated next to my name.

I hereby state that I have reviewed and understood the contents of the above-identified international application, including the claims of said application. I have identified in the request of said application, in compliance with PCT Rule 4.10, any claim to foreign priority, under the heading "Prior Applications," by application number, country or Member of the World Trade Organization, day, month and year of filing, any application from parent or inventor's certificate filed in a country other than the United States of America, including any PCT international application designating at least one country other than the United States of America, having a filing date before that of the application in which foreign priority is claimed.

Prior Applications: 50/411,981 filed August 29, 2003 and 50/498,968 filed August 29, 2003.

I hereby acknowledge my duty to disclose information that is known by me to be material to patentability as defined by 37 C.F.R. § 1.56, including but not limited to, continuation-in-part applications, material information which became available between the filing date of the prior application and the PCT international filing date of the continuation-in-part application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that those statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
